**Re: Request for a stay on proceedings in Defendants in *Ullo*
v. RFR Holding L.L.C. et al., 18 Civ. 11281 (PAE)**

Your Honor:

I write to correct a mistake in the letter I wrote this afternoon. Defendants filed a motion to dismiss fourteen days ago on April 5, 2019 (Dkt. #21), and a response is due within 14 days or, as the Court stated, on April 23, 2019.

I apologize for the mistake, and renew my request for the stay of the proceedings pending resolution of the settlement conference.

Respectfully,
/s/ Brian Lehman
